Guy Harvey Outpost Resorts to Expand to Galapagos Islands

February 14, 2013 9:42 PM

Guy Harvey Outpost Resorts, which operates eco-lodges in Florida and the Bahamas, has assumed management of the Iguana Crossing Boutique Hotel, a 14-room boutique hotel located near the Wolf Volcano on the Galapagos' Isabela Island, the Northern Hemisphere's only natural penguin habitat.

In addition, Guy Harvey will open a new 30-unit Guy Harvey Outpost Lodge on San Cristobal Island in 2016. Guy Harvey Outpost Resorts currently operates the Old Bahama Bay Resort & Yacht Harbour at West End on Grand Bahama Island and the Green Turtle Club and Blackfly Bonefish Lodge in the Abaco Islands in the Bahamas. The company is planning additional developments in the Dominican Republic and Costa Rica.
